~~REGULATIONS GOVERNING REDUCTION OF STATE AID WHEN LENGTH OF

8VAC20-520-5. Definitions.

The following words and terms, when used in this regulation, shall have the following meaning unless the context clearly indicates otherwise:

“Declared state of emergency” means the declaration of an emergency before or after an event, by the Governor or by officials in a locality, that requires the closure of any or all schools within a school division.

“Instructional time” means the period that students are in school on a daily or annual basis as defined in the *Regulations Establishing Standards for Accrediting Public Schools in Virginia*, 8 VAC 20-131.

“Severe weather conditions or other emergency situations” means those circumstances presenting a threat to the health or safety of students that result from severe weather conditions or other emergencies, including, but not limited to, natural and man-made disasters, energy shortages or power failures.

“Teaching days” means days when instruction is provided.

“Teaching hours” means hours when instruction is provided.

~~8VAC20-520-10. Length of school term.~~

~~School divisions which are forced to close more than 15 days during the school term because of severe weather, energy shortages, or power failure may be eligible for a waiver of the 180 day requirement.~~

~~Waiver of days lost beyond the first 15 is not automatic. A request must be made and evidence must be presented to indicate that every reasonable effort has been made to reschedule as many days as possible. Before approving a waiver, the state Board of Education must be satisfied that the lost time cannot be made up.~~

~~The state Board of Education will expect school divisions to exhaust every possibility for making up lost days before requesting a waiver of the 180-day requirement.~~

~~The request for waiver shall be forwarded to the Superintendent of Public Instruction after it has been approved by the local school board.~~

~~Make-up days should be the regular length, except as provided in the regulations on the length of the school day. (One day a week may be shortened to no less than four hours, exclusive of lunch, if the total number of days average at least 5 ½ hours in length.)~~

~~The first 15 days lost cannot be made up by extending the length of the school day.~~

~~Applications for waiver to be considered by the state Board of Education at its May meeting must be received by April 30 of the school year for which the waiver is requested.~~
